

BIO FOR SCOTT CRENSHAW

Scott and Renee Crenshaw have almost twenty years of ministry experience. While pursuing his education at Christ for the Nations and Southwestern Baptist Theological Seminary in Fort Worth, Scott began a speaking ministry traveling with groups like Mercy Me and Chris Tomlin. After ten years on the road, Scott and Renee built two thriving college/young adult ministries; one at Texas State University and the other at Lakewood Church where they served with Joel Osteen for over 5 years. They served at Grace Community Church as Executive Pastors and currently serve as Senior Pastors at New River Fellowship in Hudson Oaks, Texas. Scott and Renee have three boys (Ben, Sam, and Zach) -- an artist, a sports enthusiast and a future missionary -- along with their little girl (Claire) who truly is the life of the household.

Scott says, "I love teaching. Get me on stage with an energetic group of people, the party is on! I enjoy all sports; snowboarding, tennis, wakeboarding, golf. I enjoy hunting and fishing as well. I have a motorcycle and like long rides on smooth roads. Anything with my family. There is nothing like doing life with good people."
